We are going to put together an order for BRR club clothing from Hyperstitch soon, so check out the Hyperstitch website, at hyperstich.com, and see what you might want to order. We want to have enough items with silk screen to enable us to meet the minimum order of 12 items. The item could be anything that would have the silkscreened logo applied. Maybe they could do flags? I will find out.

PROPOSED NEW START LOCATION FOR NEXT YEARS' RIDES

It seems that it's inconvenient for people to get to the Rose on Sundays to lead or go on rides. Now that we're trying out a new meeting location, Dave Morris suggested that we start out Sunday rides from The Colonial Café. If anyone else has ideas, bring them (and photos to next year's planning meeting and we can decide if we want to change our starting location for Sunday rides. We end up heading back West or N/W or S/W when we ride, so it would cut out some traffic. We should probably stick to one location, that way we could advertise in the Daily Herald and on Chicagomotorcycleguide.com and new people will know where we'll be.

WANT TO BUY A DOG?

A Biker tried to sell his neighbor a new dog. "This is a talking dog" the Biker told his neighbor, "and you can buy him for five bucks."

The neighbor told the biker "Who do you think you're kidding with this talking Dog stuff? Dogs don't talk."

Suddenly the dog looked up at the neighbor and said "Please buy me sir." The dog pleaded, "This man is cruel. He never buys me a meal, never bathes me, and never takes me for a walk. And, I used to be the richest trick dog in the world. I've performed for the President and toured with the USO and entertained the Military. While overseas I saved an Army Platoon from capture and was awarded a medal of honor."

"Hey!" the neighbor said to the Biker, "He can talk. Why do you want to sell him for just five bucks?"

"Because I'm getting tired of all his lies." Replied the Biker, "He never did any of that."

I WANT TO BUY…

"I want to buy a 12 gauge Shotgun for my Husband" Biker Betty told the Gun Store Clerk. "Wow, that's great" said the clerk, "Is there a particular make and model he would prefer?" "No, No preference at all." Biker Betty told the clerk, "The lousy cheat doesn't even know I'm going to shoot him yet."
